### **HALF MARATHON MEDALS**

We are aware that several of our final Half Marathon finishers did not receive medals at the finish line. We have already placed a second order and will be mailing a medal to everyone who did not get one on the stage. We apologize for this and are still at a loss as to why there weren't enough medals when we ordered more medals than we had registrants. There is nothing you need to do if you didn't get a medal. We will get these out to you. NOTE: Custom medals take a significant amount of time for production. We will get these out AS SOON as they hit our doorstep.

Thank you for racing with us. This event continues to amaze us. Every year it seems to get better and better, not because of us, but because of you. We absolutely LOVE watching all of you chase your dreams down the trail and find them on the stage at the Finish Line. Thank you for letting us be part of your running journey. We are forever grateful you trust your goals with us. Thank you.
